JUSTIN AMES

Mechanical Engineering | The George Washington University

401-714-6155 | amesjj1234@gmail.com | linkedin.com/in/ames-justin

EDUCATION

The George Washington University - Washington, DC Expected May 2027

Bachelor of Science in Mechanical Engineering

Barrington High School - Barrington, RI June 2023

Pre-Engineering Career and Technical Education Pathway

TECHNICAL SKILLS

Design and analysis: SolidWorks, AutoCAD, MATLAB, Python, Excel, CAD assemblies, engineering experimentation.
Manufacturing: Turning, milling, CNC/NC, aluminum machining, 3D printing, surface finishing, dimensioning, tolerancing, and shop safety.

SELECTED ENGINEERING PROJECTS

GW Rocket Mars Rover - Rover Design Lead 2026 - 2027 | In progress

Lead rover mechanical design and fabrication within a four-person capstone team. Lead rover fixturing design and assist with control-system design for a deployable rover-container payload.

Oscillating Fan Design - CAD and Analysis Completed coursework

Led the SolidWorks assembly and gear-train CAD design for a team desktop fan project. Integrated teammates' components, conducted motion studies and analysis, and used FEA on the assembly and individual components to support analytical findings.

Manufacturing Design Project - Team Lead Fall 2024

Led a four-student team through planning and manufacturing an aluminum grabber. Designed shaft and handle-housing backings in CAD; shared machining, solved in-shop problems, and coordinated team meetings.

ENGINEERING AND WORK EXPERIENCE

Ocean State Spearguns - Apprenticeship July 2022 - June 2023

Worked with the owner to craft a custom speargun, using precision woodworking, stress analysis, and buoyancy analysis.

iCreate Lab - Co-President August 2021 - June 2023

Maintained and operated 3D printers, VR technology, a smart board, and a vinyl cutter. Oversaw a 15-person intern team and assigned tasks.

Bluewater Bar and Grill - Barrington, RI 2021 - 2025

Expo, station cook, dishwasher, and server. Promoted three times; coordinated orders and plate timing with line cooks in a busy restaurant.

Diego's, Inked Restaurant Group - Newport, RI June - August 2025

Server in a high-pressure environment; communicated with coworkers to support customer service.

LEADERSHIP AND COMMUNITY

Kappa Sigma, George Washington University September 2024 - Present

Philanthropy Chair and Scribe. Organize events involving roughly 150 participants to raise money for veterans charities; maintain chapter records and communicate with national headquarters.

Miriam Hospital - Kitchen Volunteer 2022 - 2023

Delivered and helped prepare patient meals. Trained new volunteers in food preparation, safety, and kitchen procedures.

INTERESTS

Spearfishing, skiing, 3D design and printing, guitar, Spanish, cooking, and music.
